

JUAN RAFAEL LUIS F. SAN PEDRO

UI/UX Designer

+63 9214394937 | juanrafaelluis.sanpedro@gmail.com | <https://juanrafaelluis.framer.website>

PROFESSIONAL SUMMARY

Entry-level UI/UX Designer with hands-on Figma experience designing and shipping production-ready interfaces. Skilled across the full design-to-delivery workflow — wireframing, visual design, and usability testing — with additional experience in graphic design and manual QA.

EDUCATION

Bachelor of Science in Information Technology

Far Eastern University – Cavite, Silang, Cavite

2022 – 2026

- Designed user interface layouts for a library management system using Adobe Photoshop, applying core UI principles and a user-centered approach to improve usability and visual structure
- Managed and organized technical documentation using Jira for a capstone research project under Agile methodology
- Created animation and visual assets for an academic game development project using Adobe Photoshop
- Awards Received:** *Magna Cum Laude, Best Capstone Project Award 2025 – “Library 360: A Web-based Library Management System with Analytics and Recommendation for FEU Cavite Libraries”*

WORK EXPERIENCE

UI/UX Designer Intern

Integr8 Software Solutions, Inc., General Trias City, Cavite

February – May 2026

- Led the UI/UX design of the company’s digital marketing website using Figma, delivering the site the company now uses as its primary digital storefront
- Redesigned 7 webpages for a sister company’s marketing website using WordPress Elementor, expanding the sister company’s online presence
- Produced 5+ on-brand graphics in Canva for the company’s Facebook marketing, supporting internal content and social media output
- Conducted manual functional and usability testing of the company’s accounting and payroll software; identified and documented 40+ usability issues and improvements in MS Excel, giving the dev team a prioritized list of fixes ahead of rollout
